

Illustration Minor

The Illustration minor prepares students to enter a world where boundaries between artistic disciplines are constantly changing and art is activated in the service of multiple audiences, in diverse venues and across existing and emerging markets. This minor provides a curriculum emphasizing strong concepts, proficient skills, and civic mindedness to support the communication needs of a variety of contexts, including client-led publications, merchandise, and self-directed exhibitions. A balance of conceptual, historical, and technical instruction helps students locate their own style, voice, and conceptual foothold to meet the rich opportunities afforded by today's shifting creative landscape.

Eligibility

The Illustration minor is open to students majoring in Animation, Game and Entertainment Design, Graphic Design, Fashion Design, Fine Arts, Product Design, and Toy Design. Because of their major curricular requirements Environmental Design majors will only be approved to enroll on a case-by-case basis. Students must be on track in their major and in good academic standing, with fewer than 6 credits behind and a cumulative GPA of 2.0. Illustration minors may participate in the Communication Arts senior show on a case-by-case basis with approval from the Department Chair.

Requirements

15 credits of Illustration courses (5 studio courses or 4 studio courses + 1 LAS course)

Students select courses based on guidance from the Director of Interdisciplinary Studies, Minor Area Heads and Academic Advisors and must follow prerequisites when applicable. For the full list of courses that will count for this minor, along with recommended courses to take first, see the Minors Course Lists on the Registration page of the Dashboard (my.otis.edu). Students are advised to take minor classes in place of studio electives (or in place of one LAS elective), or for majors without electives by taking one extra class in each of 5 semesters spread out between sophomore and senior year.

See Communication Arts & Liberal Arts and Sciences Departments for course descriptions.

Each enrolled student will receive an individual academic plan that outlines how this minor fits into their major.
