About The Trip
See breathtaking art. Eat amazing food. Make new friends while experiencing Rome, one of the oldest and most amazing cities on Earth. We will visit famous sites like The Vatican, The Pantheon, The MACRO & MAXXI, The Villa Borghese, The Spanish Steps, The Trevi Fountain, The Capuchin Crypt, Hadrian’s Villa, and so much more. We will also see exciting, lesser-known venues and eat, shop, and socialize like the Romans do. Local scholars and artists will guide us into a private world not available to regular tourists. This is a once-in-a-lifetime experience not to be missed!
