Otis lyndaCampus User Registration Guide

Welcome to lynda.com, an online learning company that provides a vast library of engaging video tutorials to help anyone learn software, creative, and business skills.

To create a profile...

1. **Navigate to iplogin.lynda.com.** Note: you must be on campus to create your profile. For offsite registration, please follow this [link](#). If neither work, please contact the ACS Helpdesk. Library and TLC staff are also available to answer questions.

2. If you are **new** to lynda.com, click the **create profile** button and enter your information.

3. If you are a **returning** user and would like to reconnect with your training history, log in directly from the landing page using your existing username and password to create a lyndaCampus user profile.

**Notes:**
- You must be on campus at your organization in order to create your profile OR follow this [link](#).
- For **NEW USERS**, your user name must be your Otis email address.

Once registration is complete, you will automatically be logged into your user profile. You can log in thereafter by visiting [www.lynda.com](http://www.lynda.com) from any computer.
