USING THE COURSE LOG

The function of the Course Log is:
- To serve as a place for Leaders to note, process, or document information that they want to remember or share.
- To communicate important information to the Director of CIE, Provost, & Dean of Student Affairs.
- To serve as a resource for future courses.

Description of each section:

LEADER CHECKLISTS:
- These checklists have been created to assist you in appropriately time lining and planning discussions, lessons and activities that will lead to better course quality and safety. Completion of the checklists will help both the Leader and Director of CIE, Provost, and Dean of Student Affairs assess the timeliness and thoroughness with which a Leader addresses these “Otis Fundamentals.”

PROGRAM AREA UPDATES
- Leaders are expected to maintain a current, updated record of their Travel Study experience and provide Otis with the information that will keep the program current. Submitting addendums and comments into this section is integral to promoting consistent course quality and a strong course-to-course continuum.

NEW CONTACTS:
- Please tell the Center for International Education about any new contacts that you make, or any contacts that you have as an individual faculty that you would like to share with Otis. You can staple business cards, phone numbers, addresses, etc.

INCIDENT REPORTS
- When an incident occurs:
  - Submit online incident report with-in 24 hours, and notify the Center for International Education using your “Call Guide Flow Chart.”
  - Can’t submit an Incident Report ASAP? Use these Incident Report templates to keep detailed notes until you are able to submit a formal incident report, and notify the Center for International Education.

BEHAVIOR CONTRACTS
- When a student behavior issue arises:
  - Use the Behavior Contract as a tool to assist you in setting boundaries and expectations with the student should a behavior issue arises while on course.
LEADER CHECKLISTS

It is imperative that you create space in your Travel Study course to deliver the items noted in your Leader Checklist. If you are using a Program Provider it is important that you coordinate the delivery of these tasks with them.

Once it has been facilitated/delivered please indicate this under “Date Delivered.” These checklists will be reviewed by the International Education Steering Committee at the end of your course.

Remember, even when using a Program Provider it is integral that items noted in these Lists are addressed. By end of your course, you are responsible for having addressed EVERYTHING that is listed here.
**PHASE I: Course Start**

COVERING THE FOLLOWING BULLET POINTS WITHIN THE **FIRST 24 HOURS AND 72 HOURS OF YOUR COURSE IS MANDATORY.** Even when using a Program Provider it is essential that these Tasks be delivered to your students. Your Program Provider will most likely not cover all of the items Otis requires its Leaders to review.

**GUIDING QUESTIONS:**
- Have you addressed potential risk issues and work shopped safety concerns with your group?
- Has a physical and emotional container been established?
- Do students understand their roles?
