

How to Connect to the Portfolio Submission Page from the Common App

The Common App is used for Freshmen applicants. [You can get started here.](#)

In order to submit your portfolio, you must do so using the Otis College SlideRoom link, which the Common App will direct you to.

The Portfolio Instructions page will only appear after you answer the SlideRoom question in the application. The link to this page will appear in the College Information menu. Before answering this question, the menu will display as follows:

To access the link, navigate to the Questions section under the College Information menu and scroll down to find and answer the question.

The screenshot shows the application portal interface. At the top, there are navigation tabs: Dashboard, My Colleges, Common App, College Search, and Financial Aid Resources. The 'My Colleges' tab is active, and the 'Otis College of Art and Design' is selected. A sidebar menu on the left lists various sections: My Colleges, College Information, Application, Questions (highlighted), Recommenders and FERPA, Review and Submit - Common App, Writing Supplement, and Review and Submit - Writing Supplement. The main content area is titled 'Questions' and has a 'Preview' button. Under the 'General' section, there are three dropdown menus: 'Preferred start term*' (set to Fall 2021), 'Preferred Admission Plan*' (set to Rolling Admission), and 'Preferred residence during your first year*' (set to Off Campus). A note at the bottom states: 'A TOEFL, IELTS, or Pearson PTE score is required for all international students whose primary language is not English. This requirement may be waived for students who have graduated from an English speaking institution.'

Select **Yes** and then click the blue **Continue** button.

The screenshot shows a question: 'All students applying to Otis College are required to submit a portfolio on SlideRoom containing 10-20 examples of their best work. Do you agree to submit your portfolio digitally through SlideRoom? *'. Below the question is a dropdown menu with 'Yes' selected. A blue 'Continue' button is located at the bottom right of the form.

You should now be able to see the Portfolio link at the bottom of the College Information menu, as displayed below:
