

Otis College of Art and Design in Los Angeles prepares a diverse community of students for success, empowering them to transform the global creative economy.

ABOUT OTIS COLLEGE

The first art and design school in Los Angeles, Otis College is a nonprofit institution serving full time BFA and MFA students in addition to offering extension programs for adults, teens, and children. Otis College has educated generations of influential artists and designers who have left their mark on contemporary culture. Our alumni are leaders of impactful organizations, innovative companies, and global brands. A proven talent pathway to industry, Otis College is changing the face of the creative economy.

OTIS COLLEGE REPORT ON THE CREATIVE ECONOMY

The **Otis College Report on the Creative Economy** offers valuable insights into the impact of creative industries on the economies of Los Angeles and California. First published in 2007, the report has evolved into a comprehensive research program, featuring in-depth studies, an interactive digital **dashboard** showcasing real-time data and trends across creative sectors, and a series of in-person and online events.
